ABOUT US

Fresh Way - the brand of Victory 2000. The company was established in 1997. The name of the brand was inspired of the freshness of the fragrances the company produces. After two decades on the market, our company has proven itself to be producing high quality

products, as well as being flexible for all our clients.

For the last twenty years, the company has been constantly growing, while the brand Fresh Way is currently recognised in more than 34 countries around the globe.
